Young scientists meet patient advocates!

PATIENT AND RESEARCHER PERSPECTIVE

Tuesday, Sept 17; 14:30

**EASD Conference, Booth DZD & DDA
in the Associations Village**

Moderation: Bastian Hauck

DDA, DZD & #dedoc invite patients
to exchange ideas with young
scientists on the following topics:

Prevent type 1 diabetes?

Karsten Buschard [DDA & Rigshospitalet, Copenhagen]

Restoration of the body's own insulin production

Hassan Mziaut [DZD-Paul Langerhans Institute Dresden]

**How does diabetes affect the body - autonomic
neuropathy and cardiovascular disease**

Signe Toft Andersen [DDA & Aarhus University Hospital]

What is a healthy, balanced diet for diabetes?

Alba Sulaj [DZD & University Hospital Heidelberg]

Mastermind of metabolism – diabetic brain

Martin Heni [DZD & University Hospital Tübingen]
