

## Invitation

# PhD defense

**Genetic aspects of glycemetic deterioration  
– insights into the pathogenesis and progression of type 2  
diabetes throughout life**

**Friday 9<sup>th</sup> of November at 2 pm**

**Henrik Dam Auditorium  
Blegdamsvej 3B, 2200 Copenhagen N**

Following the defense, the Human Genomics and Metagenomics in Metabolism research program will host an informal reception on the 8<sup>th</sup> floor in the Maersk building. You are warmly invited to attend the public defense and/or the reception.

**Line Engelbrechtsen, MD**

**Novo Nordisk Foundation Center for Basic Metabolic Research  
Human Genomics and Metagenomics in Metabolism**

### **Academic supervisors**

Henrik Vestergaard, Associate Professor, MD, DMSc. Faculty of Health and Medical Sciences, University of Copenhagen

Torben Hansen, Professor, MD, PhD. Faculty of Health and Medical Sciences, University of Copenhagen

Ehm Andersson Galijatovic, MSc, PhD, Danish Medicines Council

### **Assessment committee**

Peter Rossing, Professor, MD PhD, Department of Clinical Medicine, University of Copenhagen (Chair)

Valeriya Lyssenko, Professor, MD, PhD, Department of Clinical Science, University of Bergen

Louise Torp Dalgaard, Professor, MSc, PhD Department of Science and Environment, Roskilde University

### How to find the Henrik Dam Auditorium:

- Enter the Maersk Tower by the main entrance from Blegdamsvej or use the other entrance from Nørre Allé (see map)
- From the main entrance, walk up the big staircase and turn right. Follow the signs to the Henrik Dam Auditorium. It is marked with a red circle on the map.

### How to find the Human Genomics and Metagenomics in Metabolism research program (location of the reception):

- Enter the Maersk Tower by the main entrance from Blegdamsvej and take the elevator to the 8<sup>th</sup> floor. Press 8 outside the elevator.
