

**Program for  
National Expert Workshop  
“White Book on Type 1 diabetes in Denmark”  
9 November 2022**

**With the support of the**

**Danish Diabetes Academy**

10:00-10:15 – Welcome, opening and introductions – Kurt Højlund, Steno Diabetes Centre Odense

10:15-10:45 – Opening remarks

- Policy maker/Administrator – tbc
- Tore Christiansen, Danish Diabetes Academy
- Tanja Thybo, Danish Diabetes Association
- Gojka Roglic/Bianca Hemmingsen, World Health Organization

10:45-10:55 – Background to the concept of a White Book on Type 1 diabetes – Anders Green, Steno Diabetes Centre Odense

10:55-11:05 – Presentation of the project and meeting format – David Beran, University of Geneva

11:05-11:15 – Refreshment break

### **Meeting format**

*Each Panel would be comprised of 2 people who provide detailed comments on the given section. These people would review their specific section and present the key findings as well as a critique of the section. The White Book will be shared with all participants, but by having reviewers for each section from experts will enable feedback/peer review, but also “validation” of each section of the White Book.*

*Posters and Post-it notes for each section will be available for people to add their comments on each section. For this we would have different sections on a piece of flipchart paper for each section. For each piece of flipchart there would be a section for people to put their Post-its where they could add specific comment or suggest missing information.*

11:15-12:15

Panel 1 – Type 1 diabetes epidemiology

- 11:15-11:25: Presentation of key findings – Anders Green, Steno Diabetes Centre Odense
- 11:25-11:45: Critical review – Bendix Carstensen, Steno Diabetes Centre Copenhagen and Reimar Wernich Thomsen, Aarhus University
- 11:45-12:15: Discussion and participants add their notes to the section with post-it notes

12:15-12:25 – Refreshment break

12:25-13:25
