

Danish Diabetes Academy

Symposium – Metabolic Physiology 2020

11th September 2020

Store Auditorium
Gentofte Hospital
Gentofte Hospitalsvej 10A
2900 Hellerup

Programme

Friday 11 September

- | | |
|-------------|---|
| 10:00–10:15 | Registration & Arrival |
| 10:15-10:30 | Welcome |
| 10:30-10:50 | Pump treatment with GIP
Sebastian Heimburger |
| 10:50-11:10 | Pancreatectomy, Glucagon and Lipid Metabolism
Iben Rix Pedersen |
| 11:10-11:40 | Pancreatic Clamps
Malte Palm Suppli |
| 11:40-12:00 | Hypoglycemia
Bjørn Hoe |
| 12:00-12:40 | Lunch |
| 12:40-13:00 | Bile Flow
Henriette Nerrild |
| 13:00-13:20 | Sampling From The Portal Vein
Nikolaj Rittig, |
| 13:20-13:40 | Metformin and Heart Failure |

13:40-14:00

Break

14:00-14:20

Acromegaly and Metabolism

Mai C. Arlien-Søborg

14:20-14:40

Muscle Damage and Regeneration

Jonas Brorson Jensen

14:40-15:00

SGLT2i's Effects on Cardiac Perfusion and Substrate Metabolism

Katrine Meyer Lauritzen,

15:00-16:00

Guided tour in research/lab facilities, CCMR

16:00-16:30

Proteomics

Nicolai Wewer Albrechtsen

16:30-17:15

3D Imaging Of The Brain and Peripheral Organs-Applications in Preclinical Studies and Clinical Perspectives

Jacob Jelsing, Gubra

17:15-17:30

Metabolic Research in CCMR

Head of CCMR, **Filip Knop**

18:00 -

Dinner and networking at a local restaurant

Organising Committee Scientific Programme

Esben Søndergaard, Department of Diabetes and Hormone Diseases (DoH), Aarhus University Hospital AUH

Nikolaj Rittig, Steno Diabetes Center Aarhus (SDCA), Aarhus University Hospital, AUH

Asger Bach Lund, Center for Clinical Metabolic Research (CCMR), Herlev Gentofte Hospital (HGH)

Jonathan Ising Bagger, Center for Clinical Metabolic Research (CCMR), Herlev Gentofte Hospital (HGH)
